

Fifth Grade Walla Walla Foundry Field Trip

Carnegie Picture Lab, Walla Walla Foundry and participating Schools have partnered to bring the Walla Walla Valley's fifth graders on an art journey.

The 3-part tour is designed to encounter every facet of the process with a "WWF In The World" presentation to expand, and hands-on, clay, busts to explore.

Teachers have a pre-curriculum program to educate students prior to their arrival. This makes for 10 year olds teaming with questions about the process, and the artists, that both live in our community and throughout the world, who choose the Walla Walla Foundry as their partner in the world of making art.

Our Participating Schools:

Berney-Homelink	November, 15 2014	College Place	TBD
Blue Ridge-Assumption	January, 24 2014	Edison	April, 4 2014
Prospect Point	February, 7 2014	Green Park	May, 23 2014
Sharpstein	March, 7 2014	Rogers	TBD

Your child needs: walking shoes, the appropriate coat & clothes that can get dirty.
